A MESSAGE FROM NEW GENERAL MANAGER CHRISTIAN HEIMALL:

Host Families,

On behalf of the entire Blue Crabs organization, our coaches, and players, I want to thank you for your support of the team over the many years you have opened your doors to our team. It is my personal belief that Host Families are the backbone of any successful minor league organization. I have watched from afar during my time in the Atlantic League as this group continued to show unwavering support for the players and coaches, welcoming them into your homes with open arms and cheering them on louder than anyone. It was something I always admired and I am honored to work with you all to continue to grow and strengthen this program. As someone who was the beneficiary of a Host Family early in my career, the memories made and relationships forged truly do last a lifetime. I am excited to lead the Southern Maryland Blue Crabs and truly looking forward to meeting and working with each and every one of you. From the bottom of my heart, thank you for all that you do and I will see you at the ballpark!

*Sincerely,
Christian Heimall
General Manager*
